

## **Newskey.ca Privacy Policy**

### **Email Addresses are used for authentication and are shared with Partners**

Email addresses are used for account authentication. Your user name and primary email are shared only with the partner sites where you have logged in to Newskey as part of the authentication process. At Newskey.ca your email address is used 1. To facilitate the login process and 2. To allow partner sites to view analytics information regarding your visits at their sites. 3. To communicate with you regarding your Newskey.ca account.

### **Data we collect and process**

In order to produce your invoice, we collect and process information regarding your visits at partner sites. This information consists of url visited, date and length of visit, and title of the page.

### **Contact information is not shared**

We do not share your contact information with our partner sites or anyone else.

### **Phone number is not shared**

We use your phone number for account authentication and to communicate with you on some matters. We do not share your phone number with our partner sites, nor with any other third party.

### **Cookies are stored on your computer**

Newskey stores cookies on your computer to facilitate the login process. Slushmoney may also store cookies for user analytics purposes.

### **Newskey is not responsible for Partner Site privacy policy or practice**

We are not responsible for the way that our partner sites use the email address you sign in with, nor the way they store cookies at their site. Please refer to these sites' Privacy Policies.

### **Credit Card information is not stored**

We do not store your credit card information in our database.

### **Privacy Policy may change at at any time**

Our privacy policy is periodically updated, and users are responsible for periodically checking this page for updates. For major changes, users will also be notified on our login page.

### **Personal Data Deletion**

You may request the deletion of your personal data from our site by contacting us via the contact form at <https://newskey.ca/contact>. We will get back to you when your request is fulfilled, which may take 2-4 weeks. Data deletion permanently removes all personally identifiable information from our site including name, email, phone, and any other contact information we have.
