One account per individual

If you use more than one email to connect to Newskey (including emails associated with any social accounts you use to login) these accounts must be linked at Newskey.ca.

Sites charge automatically to your account

After you opt in to Newskey for a site, that site will then charge automatically for any paid content you visit without notice. To facilitate efficient access, paid content will typically not be flagged as such before or during access. Charges for our partner sites may change at any time without notice. You may opt out of any site at any time at Newskey.ca.

Refunds are not offered

Users are responsible for ensuring their invoice is correct before payment. This includes checking for any errors on behalf of Newskey, our Partners, or fraudulent use of your account. Newskey does not offer refunds for paid invoice charges to users for any reason. Please contact us only for technical issues related to the Newskey.ca site.

For all other issues, please contact our partners/clients directly.

Credits are non-refundable

Credits are non refundable - including if your account is unused, canceled, deleted, or suspended (by you or us). Credits are automatically used for any site you visit that you have opted into, according to the rate of that site.

Newskey will not refund donations through our platform

Once users have paid a donation, any further inquiries must be directed to our Partner Clients.

Partner Clients are responsible for Charity Receipt requests

Newskey does not guarantee that Charity Receipts will be delivered, the final amount of the receipt, or when it will be delivered. Some Charity receipts are delivered at year end, some may be delivered at different schedules. Newskey will not respond to inquiries about Charity receipts, other than technical issues related to the Newskey app. Please forward any inquiries about Charity Receipts to our Partner Clients.

Site may be down periodically

Newskey service may be unavailable periodically, and we may suspend or cancel the service entirely at any time for any reason.

We are not responsible for partner site content

We are not responsible for content on our partner media sites, nor their pricing or any other site setting. Please contact the sites directly if there is an issue with Partner sites.

No refunds for catastrophic site failure or closure

In the event of catastrophic site failure or closure resulting in loss of data or closure of accounts, we will make every attempt to reinstate your account including any credit previously on your account. However, if this is not possible, we cannot guarantee your credit will be reinstated or returned to you, nor that your account will be reinstated or that we will continue operations. We reserve the right to close operations at any time, without reimbursing credit in any way.
